Good news — we've eliminated two fees

We're no longer charging the:

- **Deposited Item Returned or Cashed Check Returned Fee** — This was a \$12 fee we charged if an item you deposited or cashed was returned unpaid. We stopped charging this fee as of **December 1, 2022**.
- **Savings Withdrawal Limit Fee** — This was a \$5 fee we charged for each withdrawal or transfer (over six) out of a Chase savings account in a monthly statement period, maximum of three fees per monthly statement period. We stopped charging this fee as of **March 19, 2023**.

We're also changing the name **Insufficient Funds Fee** to **Overdraft Fee**. There are no changes to how and when we charge this fee or the ways to avoid this fee.

As we update and remove references to these three fees, you may continue to see them listed in the Chase Mobile® app¹, on chase.com and in other materials.

If you have any questions, please call us at the number listed on this statement. We accept operator relay calls.

¹Chase Mobile® app is available for select mobile devices. Message and data rates may apply.
