Also, bank virtually anytime, anywhere with the Chase Mobile® app⁴ and use Zelle®⁵ as a fast and easy way to send and receive money with people you know and trust who have an eligible account at a participating U.S. bank.
- **Security** – Receive identity monitoring and check your credit score for free with Credit Journey®. With Zero Liability Protection get reimbursed for unauthorized debit card transactions when reported promptly⁶.

¹ Such as payments from payroll providers or government benefit providers, by using (i) the ACH network, (ii) the Real Time Payment or FedNowSM network, or (iii) third party services that facilitate payments to your debit card using the Visa® or Mastercard® network.

² Qualifying personal deposits include Chase First CheckingSM, accounts, personal Chase savings accounts (excluding Chase Premier SavingsSM, and Chase Private Client SavingsSM), CDs, certain Chase Retirement CDs, or certain Chase Retirement Money Market Accounts.

³ Qualifying personal investments include balances in investment and annuity products offered through JPMorgan Chase & Co. and its affiliates and agencies. For most products, we use daily balances to calculate the average beginning day balance for such investment and annuity products. Some third-party providers report balances on a weekly, not daily, basis and we will use the most current balance reported. Balances in 529 plans, donor-advised funds, and certain retirement plan investment accounts do not qualify. Investment products and related services are only available in English.

⁴ **Chase Mobile App:** Chase Mobile® app is available for select mobile devices. Message and data rates may apply.

⁵ **Zelle:** Enrollment in Zelle® at a participating financial institution using an eligible U.S. checking or savings account is required to use the service. Chase customers may not enroll using savings accounts; an eligible Chase consumer or business checking account is required and may have its own account fees. Consult your account agreement. Funds are typically made available in minutes when the recipient's email address or U.S. mobile number is already enrolled with Zelle® (go to enroll.zellepay.com to view participating banks). Select transactions could take up to 3 business days. Enroll on the Chase Mobile® app or Chase OnlineSM. Limitations may apply. Message and data rates may apply.
